

ISHM 2022 New Exhibitor Application

Requirements

- The **first requirement** to be an exhibitor at ISHM is that an employee from your company must have attended a prior school.
- All exhibits must be educational. **Meaning, the exhibit materials must primarily contain information that solves a problem or problems within the Measurement industry.**
- **Primary** Exhibitors must be original manufacturers of proprietary measurement and control devices or equipment.
- **Secondary** Exhibitors must be firms producing measurement software, specialty calibration gases and odorants, service companies providing field calibration or laboratory services related to measurement and/or control, and system fabricators.
- **All 2022 ISHM exhibitor attendees must also be registered students.**
- **All exhibitors must read and comply with the 2022 ISHM Exhibits Rules.**

Note: Primary exhibitors have priority over secondary exhibitors if exhibit space becomes limited. Your application should indicate which type of product you manufacture or which type of service you provide.

Approval Process

- The Exhibits Chair collects New Exhibitor Applications before the ISHM Committee's summer and winter meetings.
- The Exhibits Chair forwards the Applications to the Committee before the meetings for their review.
- The ISHM Committee votes to approve new exhibitor applications at these meetings.
- The Exhibits Chair notifies applicants after the meeting of the committee voting result.
